BOUNDARY TAP & KITCHEN

3 RAUMATI ROAD, RAUMATI BEACH

email info.boundarykapiti@gmail.com

The key for you is to have as many persons at your event as possible and generate additional funds via raffle or auction prize offerings.

Generally most Fundraising Quiz's do \$10-\$15 per person entry

I suggest to begin your marketing 3 weeks out from event, set up a face book event for example (share this on my page and I can share it out on the boundary page)

JPEG or PDF posters email through and I can print and display in pub a week out from event.

Having a MC is a great idea and this works well with quiz master and can really help with maximising raffle, auction fundraising activities, Plus a couple of helpers to sell the raffle tickets throughout the night is beneficial

Also bingo is a great option to run prior to start of quiz. We suggest source or print cards and download basic phone app (just make sure the app matches numbers of card ie general 70 or 75)

We run a 6 Round Quiz so this generally a 2 hour event which suits most.

For example
6.30pm arrival / 7pm Start = 9pm Finish
The larger the group max 130pax , can take a little longer

Suggest the best itinerary as follows -

- Raffle item to kick things off
- 3 quiz rounds + list
- Drinks break + Auction + Raffle
- Last 3 quiz rounds
- oncluded with final Raffles, Auction & Winning teams & points scored

We look forward to hearing from you to confirm the date.

Kind Regards
